

Alexandria Gazette.

FRIDAY EVENING, OCTOBER 14.

A PRIEST WHIPPED.—A man named Darnasse Desorneres Dittasson, who called himself a priest, was sentenced at the last session of the Court of Queen's Bench, at Montreal, to twenty-three months' imprisonment and to receive twenty lashes for having committed an indecent assault on a young girl. In court the prisoner begged for mercy, pleading that he desired to retire to some religious institution and continue his religious exercises. The magistrate, however, imposed the sentence named above. The flogging took place yesterday morning in the presence of the jail physician and other French Canadian doctors and representatives of the press. The prisoner was brought into one of the corridors of the jail and tied up to a triangle. A stalwart warden wielded the cat, which consisted of nine lengths of whip cord, each knotted in three places. The prisoner looked pale and troubled. "One," said Jailer Fayette, and the cat fell on the prisoner's bare back. "That is sore," said the prisoner; "not too hard," and the whipper kindly complied with the request, and laid on the remaining blows as if he were afraid of damaging the prisoner's back. At the conclusion of the punishment the prisoner thanked the whipper for his tenderness, and put on his clothes without any visible signs of pain.

A Sad Case of Poisoning is that of any man or woman afflicted with disease or derangement of the liver, resulting in poisonous accumulations in the blood, scrofulous affections, sick-headaches, and diseases of the kidneys, lungs or heart. These troubles can be cured only by going to the primary cause, and putting the liver in a healthy condition. To accomplish this result speedily and effectually nothing has proved itself so efficacious as Dr. Pierce's "Golden Medical Discovery," which has never failed to do the work claimed for it, and never will.

GOLD MINING.

THE GOLD MINING COMPANY.

LOCATION—MUSIC MOUNTAINS, MOHAVE COUNTY, ARIZONA.

(INCORPORATED UNDER THE LAWS OF WEST VIRGINIA.)

CAPITAL STOCK, - - - - - \$625,000.

NUMBER OF SHARES, 625,000, OF \$1 EACH. FULL PAID AND NON-ASSESSABLE.

WILLIAM S. ODELL.

The capital stock of this company is \$625,000, divided into 625,000 shares of \$1 each.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to the holder.

THE GOLD MINING COMPANY (location, Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value. Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment. For full information in regard to this Mine apply to the

JOB PRINTING.

Alexandria Gazette.

The GAZETTE is now the oldest paper in the State, and with few exceptions the oldest in the country, and its usefulness has been demonstrated and appreciated during the EIGHTY-SEVEN YEARS of its existence. In its columns has always been found a mirror of passing events, and the careful chronicling of the history of what is going on in the world has ever been its aim. It is always welcomed in the household, while in the counting room and workshop it has become invaluable.

The GAZETTE has better facilities for obtaining news than any paper outside of the national capital. Situated as it is so close to the great centre of news, it enjoys daily the benefit of the Associated Press dispatches from every part of the world; hence its patrons can read from its columns in the evening what has transpired that day in every portion of our own domain as well as from every part of the habitable globe. Consequently it is an every day occurrence for the GAZETTE to publish telegrams from the various European capitals twelve and fifteen hours earlier than the morning papers.

The local department furnishes a full and complete history of everything that occurs in and near the city, and this feature will, as ever, receive careful attention.

Correspondence from Washington, Richmond and every section of the State, is published regularly, and all events of interest occurring within the bounds of the Commonwealth are to be found in the columns of the GAZETTE.

The GAZETTE's circulation is steadily increasing, especially among people who consult its advertising columns before purchasing. That this is self-evident may be inferred from the fact that a large country edition—nearly as large as the daily—is sent all over this section of country three times a week, and is read by thousands, most of whom send here or to contiguous cities to make purchases. The advantages of advertising in the GAZETTE are, therefore, apparent.
